TENDLER GETS DECISION OVER DUNDEE

New York, May 5 Lew Tendler, the shoot. Wolstenerest broke all targets in Philadelphia Spinitweight, tonight defeated learning Sound Court with 190 and G. S. McCarty, of pound champion in a 15-round contest Philadelphia, fifth with 187. Madison Square Garden Tendler re-

celved the judges' decision. Notwithstanding the fact that the de- KNOCKOUT OVER BABE HERMAN

Notwithstanding the fact that the decision was against him. Dundes fought one of the greatest battles of his cartest.

Throughout the fifteen rounds he took the hardest hody blows of Tendler with a grin and sent hack his best. His life was not at stake as Tendier weighed 12a 1.4 pounds and Dundee's weight was 128.

The decision was popular with the expectators but Dundee's weight with the spectators but Dundee was cheered for several minutes when he lef the ring. The crowd admired his courage in conceding Tendler's weight advantage and for fighting gamely against the queer style of the Philadeiphia man. Beany Leonard, world's lightweight champion. Entired the rine before the start of the bout and amounced that he was ready at any time to meet any logical contender for his title.

The winner of tongent's bout was promised an engagement with the champion in a title content.

Danny Frush, the Cleveland, Ohio.

pion in a title contest.

Danny Frush, the Cleveland, Ohio, featherweight, knocked out Tony Capony of Hock Island, Ills., in the seventh round of the semi-final.

SUNIOR CREWS READY FOR

HOUSATONIC REGATTA TODAY

Derby, Cont., May 5—The junior variety and freshman crews of Massachusetts Tech arrived here late today and immediately went out on the Housaton-fe river for practice. They puddled six miles and drilled in racing starts. They will new over the drums again to morrow morning in preparation for the races with the Tale junior varsity and freshman crews in the afternoon.

It was announced that the freshman race will attent at \$1.30 (daylight saving time) and the junior varsity contest at 6 clock. The time was advanced to permit the Tech nationed to catch a train. The taces will he over a course of a mile and one half, instead of two miles, The visitors are using Yale shells which have been re-rigged, but have their ewan dars.

FINANCIAL AND COMMERCIA!

MARKET WAS DULL.

New York, May 5.—Renewed selling for both accounts to which profit-tak-ing seemed to be most effective, account-ed chiefly for the intervals of hesitanc-and comparative dul'ness manifested by

bealings during the early and intermediate periods were smaller and more crownsorthed as to separate issues than at any time since has March. The more sciller pace of the later operations however like the contractions and the contractions of the later operations. ever. Ifted the day's total transaction to 1.725,000 shares.
Olls as a group again dominated th

list in prominence and strength, notably the secondary domestic shares. High priced olls gave way in the final hour reacting one to four points from previous maximums. What promised to be a formidable set

back towards the close was checked to a sudden demand for rails, including Southern Pacific, New Haven and a fer coalers, of which Pittsburgh and Wes Virginia was most conspicuous.

Tobaccoes, textiles, sugar specialties and the local tractions and utilities wer 1 to 2 points up at their best, but i many instances these gains were in

paired or entirely cancelled. Shippings were under pressure on au thoralative statements which deprecate rumors of an early resumption of th sividend on Mercantile Marine common Selling of May Department Stores follow

Both domestic and foreign moneta anditions were helpful to the stock man ket's constructive side. Call loans open and and renewed into next week at 4 1per cent, but dropped to 3 1-2 per cent in the afternoon.

Eschange on London rose steadily to E44 5-4 for demand bills, the higher tale for this remittance in more than rears. All continental quotations were setter, albeit gains in the allied groupsers relatively nominal. South America rates hardened a belated response resterday's successful offering of Brazilian toan here.

APPROVAL

What eight representative citizens of Height American cities think of the Wills Sainte Claire. Moreover, it is not only what these Wills Sainte Claire owners have to say, but the character and standing of the men who voluntarily write and say it:

"It gives me great pleasure to write you about the Wills Sainte Claire roadster I bought some time ago. It is giving excellent satisfaction. I think I take more pleasure in driving it than any car I have ever had." JOSEPH BOYER, Detroit

"It is very light and has all the power that any car has, regardless of size. It responds very readily to the throttle and the feeling is more like riding in a flying machine than riding in an ordinary car."

N. P. DAZEY, St. Louis

"I wish to express our appreciation of the excellent qualities of our Wills Sainte Claire coupe. Not only am I delighted with it, but every member of the family is equally pleased with its delightful performance and riding qualities."

J. D. LARKIN, Jr., Buffalo

"The car which your organization sold me has been the greatest pleasure in the and I must say that I have never driven a world to me. I have enjoyed it more than car that was more flexible or gave me more I ever enjoyed any car."

NELSON DOUBLEDAY, New York City

satisfaction than the Wills Sainte Claire." F. P. EIMERS, Los Angeles Models and Prices

have heretofore driven."

"The car I have here with me has so completely fulfilled my expectations and seems to possess so many qualities that other cars have lacked, that I have sent you an order

for another on which I will put a special

body that will cost more than the chassis."

REUBEN MILLER, Pittsburgh

"We have yet to find a hill that

the car could not ascend on high gear. We also find that the car has

more 'pep' or elasticity than any

other car I have ever driven and it is

easily handled and highly satisfactory

"In the past fourteen years I have owned

many of the finest grade cars, and the Wills

Sainte Claire surpasses any of the cars I

"I have driven my car about 10,000 miles,

W. R. EDWARDS, Chicago

C. H. WORNALL, Kansas City

on all road conditions."
